AMAGIRI AYATO
 A student, transferred to Seidoukan Academy's High School Division on a scholarship. Although his skills with a sword are excellent, he gives off a feeling of idiocy.

JULIS-ALEXIA VAN RIESSFELD
 A student of Seidoukan Academy's High School Division. She holds the title of princess; as a 'Strega' her skills are in the top of her class.

STORY

Six petals" Rikka, the academic city on water. Often called "Asterisk", this city brings together the world's largest stage for battle entertainment and place for those seeking fame. Ayato, now a student of Seidoukan Academy, calls on his roommate Yabuki to inform him of Julis and Lester's relationship, and learns of the formal formal ranking matches. On the other hand, Julis somehow ends up promising Ayato to guide him around the academy but...
